AIRPORT EMERGENCY SERVICE

FIRE PREVENTION CIRCULAR

To All Staff and Airport Partners

RELOCATION OF TERMINAL 2 (T2) AIRSIDE EMERGENCY ASSEMBLY AREAS (EAA)

In view of the upcoming Terminal 2 Connectivity (T2C) works involving the closure of Terminal 2 central apron area, we would like to inform our airport community of the changes in emergency assembly areas (EAAs) for the airside of T2.

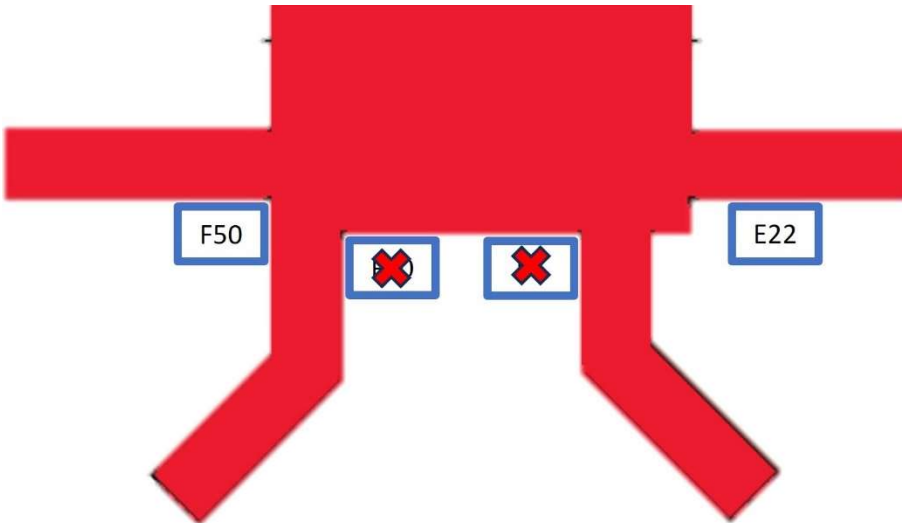

2 With immediate effect, the EAAs will be permanently relocated from aircraft stands **E1 to E22** and from **F30 to F50**. The EAA wayfinding arrows and signages have been placed at both aircraft stands for ease of identification (see Annex A for reference).

3 For further clarifications, you may contact the Fire Prevention (FP) of the Airport Emergency Service at 6541 2535 or e-mail to: fire.safety@changiairport.com

A handwritten signature in black ink, appearing to read "Danny Soh".
